the **timeless** collection

The Signatures collection offers an extensive range of luxury seating options including upholstered chairs and barstools. Chairs are additionally available with a wider seat, whilst the upholstery of Signatures can suit modern or classical style preferences with the option of tufting or stitch detailing. Legs can be upholstered in selected materials or finished in Beech or Black Walnut veneer.

Inspired by 17th century France, Re Sole takes on a new interpretation of the traditional medallion chair.

The flexibility of Re Sole's oval back provides the utmost comfort, whilst the chair's solid Beech wood legs complete the design with a robust frame for years of reliable use. Re Sole is additionally available as a barstool with a stainless steel footrest.

The award-winning Up collection welcomes its latest addition. Up Stool has been designed for comfort and longevity in public spaces with an integral foam seat that is durable and soft to the touch. The seat can be combined with a variety of swivel or fixed bases, including legs in solid wood, stainless steel or white lacquered steel.

Up Stool is also available with a central base in matt chrome, allowing for adjustable height. A range of vibrant colors are available as standard whilst custom colors can be selected for quantities of 50 pieces or more.

Pit presents a minimalist style that combines upholstery in leather or fabric with elegant stitching and legs in solid Black Walnut or Oak. Pit's upholstered seat can now be combined with an outer back in Oak or Black Walnut veneer. For a more contemporary design, Pit's shell can be selected in Soft Touch polyurethane foam from a range of 5 colors.

Jonathan 30 is the new version of the Jonathan model designed by Paolo Nava 30 years ago. The chair's oval seat and backrest is made from Soft Touch integral foam or solid wood and linked with die cast aluminum in black, white or satin. The shell is supplied in 13 colors and the elegant 4-leg base is available in Black Walnut or Oak. Jonathan's wooden version features a solid wood frame with the addition of an upholstered leather or mesh seat and mesh back detailing.

Already a firm classic, Shell's dynamic curves and solid wood or steel legs make for a stunning and delightfully comfortable collection of armchairs. The signature black or sand colored knitted back is complemented by an upholstered seat which can be customized from a variety of leathers or fabrics. Shell's seat also offers flexibility with an 180° swivel function with memory return and legs in solid wood.

This innovative table system is supplied in individual elements which can be ganged together in endless configurations to form bases of different shapes and sizes. The units are joined together by a steel component that simply clicks into place, allowing quick and easy setup and placement. Not only can the table be adapted to any space, but it can be completely re-formed by the user to suit a multitude of uses. Available in Oak or Black Walnut, the veneered wood base is complemented by table tops in transparent or semi-transparent gray glass. The base of Mac's Table is also offered in Medium Soft Touch polyurethane from a variety of bright colors.

T mac's table

The base of Twister is characteristically shaped like a shell and shown to its full potential, thanks to the table's transparent glass top. The base is made from Cristalplant, a high-technology composite material consisting of natural minerals, pure polyester and acrylic polymers. It is 100% recyclable and environmentally friendly.

Rounded lines and a sophisticated blend of solid wood, glass and steel are combined to form this coffee table from the bestselling Up collection. Up's Black Walnut wood structure appears to loop through its security glass top, creating a harmonious and balanced silhouette. The table's circular steel base complements the steel detailing that supports the top of the wooden structure and is available in polished chrome or with a matt black lacquered finish.
