5 The high-backed Dandy Studio sofa from **Blu Dot** is available in oatmeal and charcoal (pictured) in a scaled down size ideal for smaller spaces. With a blackened metal base and piped seam detail, the kiln-dried hardwood frame is doweled and corner blocked for added strength. BLUDOT.COM

6 The tufted Faye settee from **Bernhardt Hospitality** features rich blue velvet upholstery, a classic bench seat, and scrolled arms. Its wooden base and legs are finished in mocha. BERNHARDTHOSPITALITY.COM

7 The Garbo chair from **Sandler Seating's** Montbel collection evokes timelessness with its solid wood frame, presented with or without arms, and an upholstered seat and seat back (a tufted alternative is also offered). SANDLERSEATING.COM

8 **HBF** has teamed up with designer Michael Vanderbyl for the Conexus lounge series. The high-backed, sculptural chair comes either fully upholstered or with a walnut wood back, and the base is available in polished stainless steel or powdercoated black. HBF.COM
