Empire

The word 'empire' conjures images of kingdoms, realms, and vast territories of immense power. Consisting of over 75 colors, Empire lives up to its namesake and is the premier style of Iconic® antimicrobial and cleanable leather. This fashionable performance article resists germs with ease and is lightly sheened and milled with Tiger Leather's exclusive emboss. Undeniably versatile, Empire was expressly engineered for the hospitality and contract markets.

CARE & CLEANING — Iconic® antimicrobial, cleanable leather resists and repels harmful microorganisms, including bacteria, mold, mildew, and other fungi. Routine dusting or vacuuming is encouraged. For spills, gently blot the area with a clean cloth or sponge without applying force. If needed, dampen cloth or sponge with warm water and let the area dry naturally. Do not clean with saddle soap, solvents, oils, polishes, varnishes, detergents, bleach, or ammonia.
